

Dot-to-dot: fish 1-10

Join the dots from 1 to 10. From 10 go back to 1. Then draw the fish an eye, color it and add more bubbles.

Recommended age: 3-4 years · number dot-to-dot

Name _____

Date _____

Tip for parents: Let the child point to all the numbers in order first, then draw. Read the numbers out loud if they can't – the hand gets the practice either way. If a line goes astray, leave it and move on to the next dot.

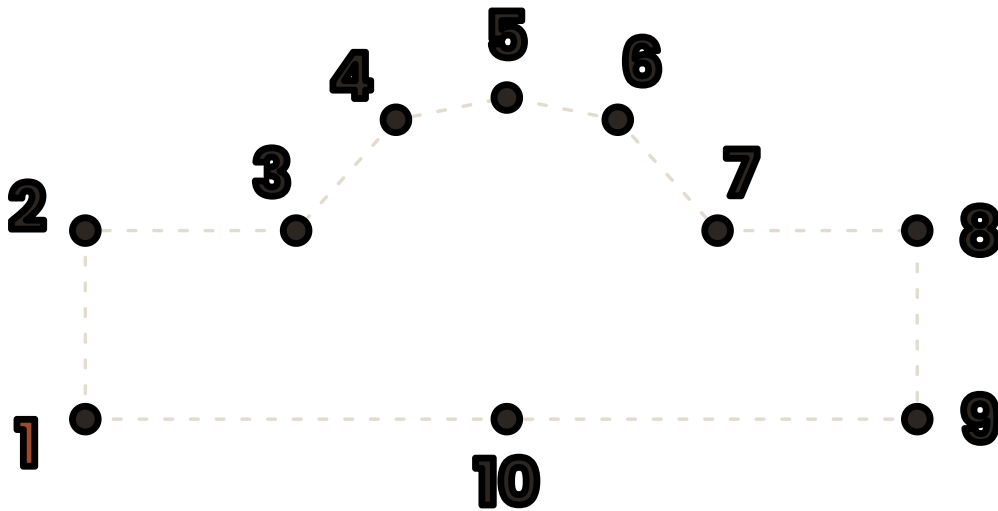

Dot-to-dot: car 1-10

Join the dots from 1 to 10. Then trace the wheels and color the car.

Recommended age: 3-4 years · number dot-to-dot

Name _____

Date _____

Tip for parents: Ask "which number comes after three?" instead of telling. Leave the wheels for last, once the hand has loosened up. The finished car can be added to – a driver, a road, a garage.

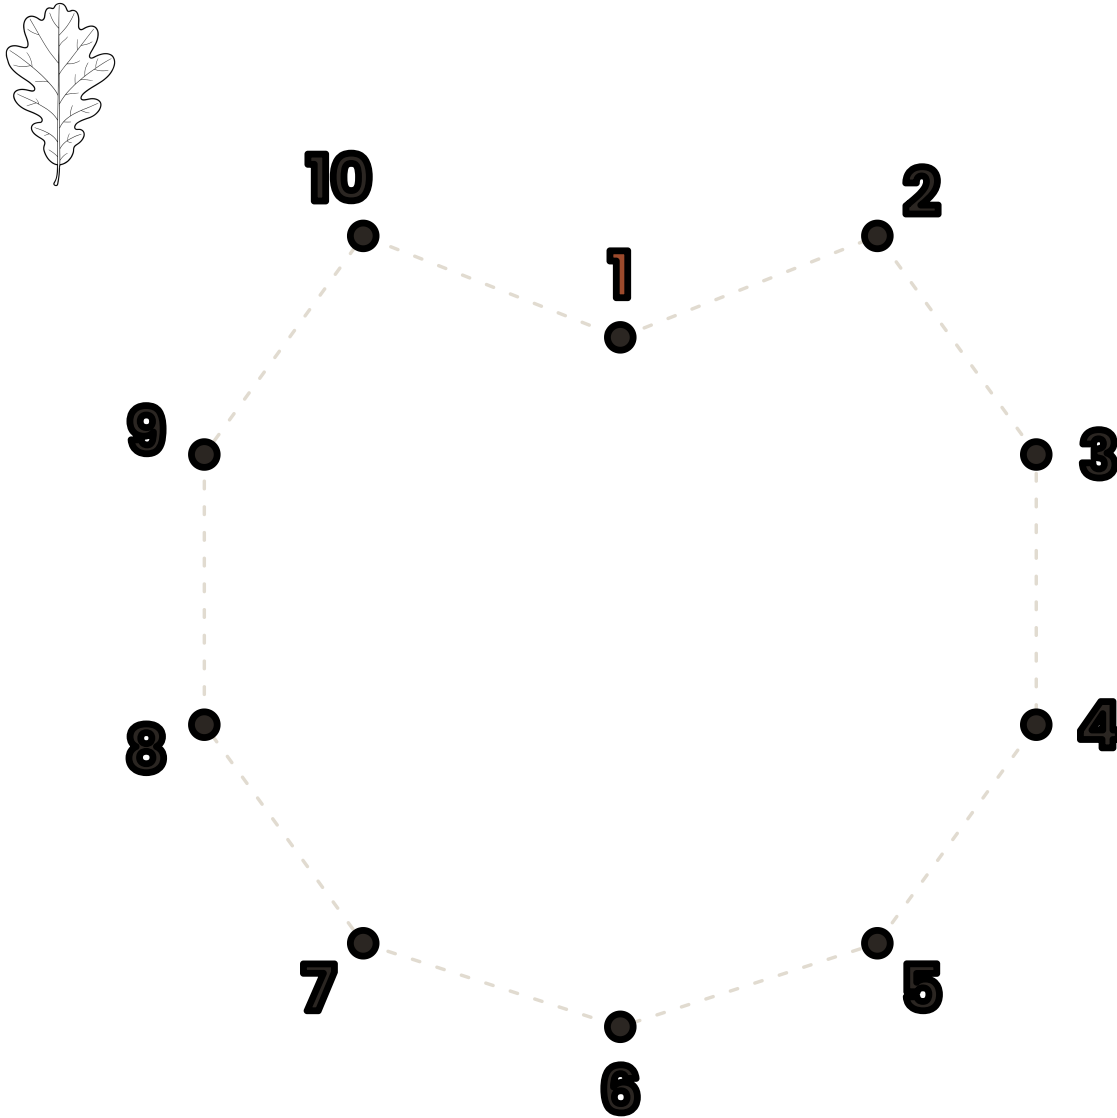

Dot-to-dot: apple 1-10

Join the dots from 1 to 10. From 10 go back to 1. Then draw the apple a stem with a leaf and color it.

Recommended age: 3-4 years · number dot-to-dot

Name _____

Date _____

Tip for parents: Point out one and two, then let the child carry on alone. If they skip a number, don't backtrack – finish the picture and try the sheet again another day. Coloring can wait for tomorrow.

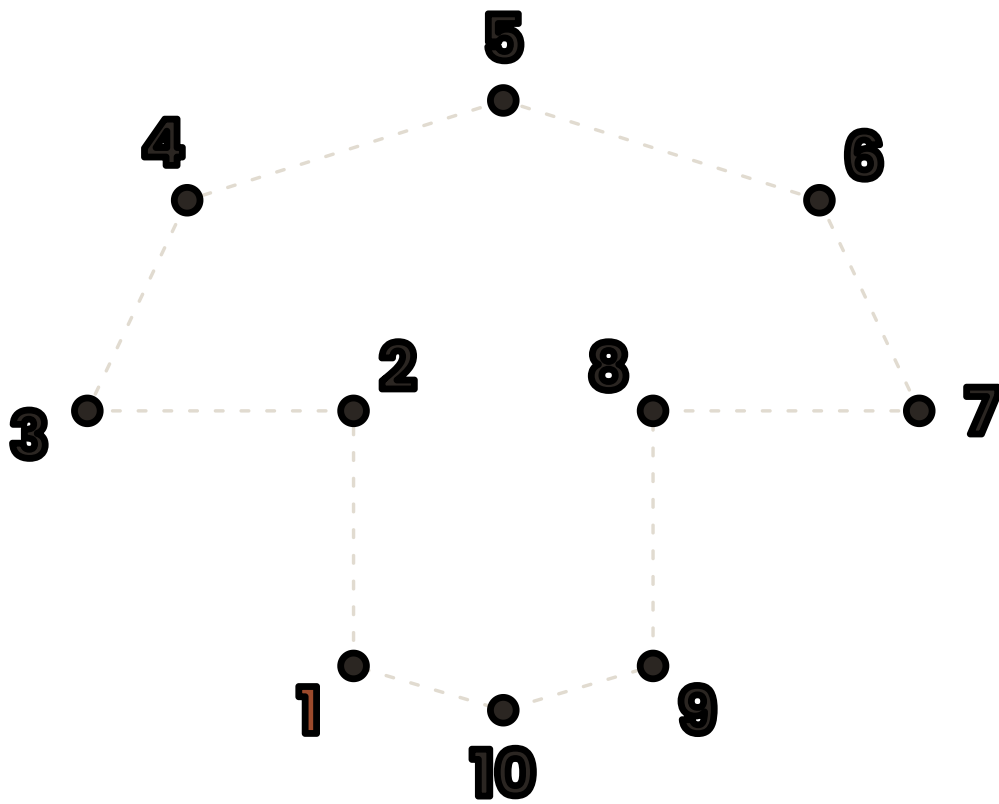

Dot-to-dot: mushroom 1-10

Join the dots from 1 to 10. Then trace the circles on the cap and color the mushroom.

Recommended age: 3-4 years · number dot-to-dot

Name _____

Date _____

Tip for parents: Use the sheet after a walk in the woods, while mushrooms are still on the child's mind. Let them trace from 1 to 10 with a finger first, then the crayon. The circles on the cap can be colored in instead of traced.
