

Letter B tracing

Trace the big B with your finger, then with a crayon. Start at the brown dot and follow the arrow.
Then trace the letters in the rows and the words BALL, BEAR and BUS.

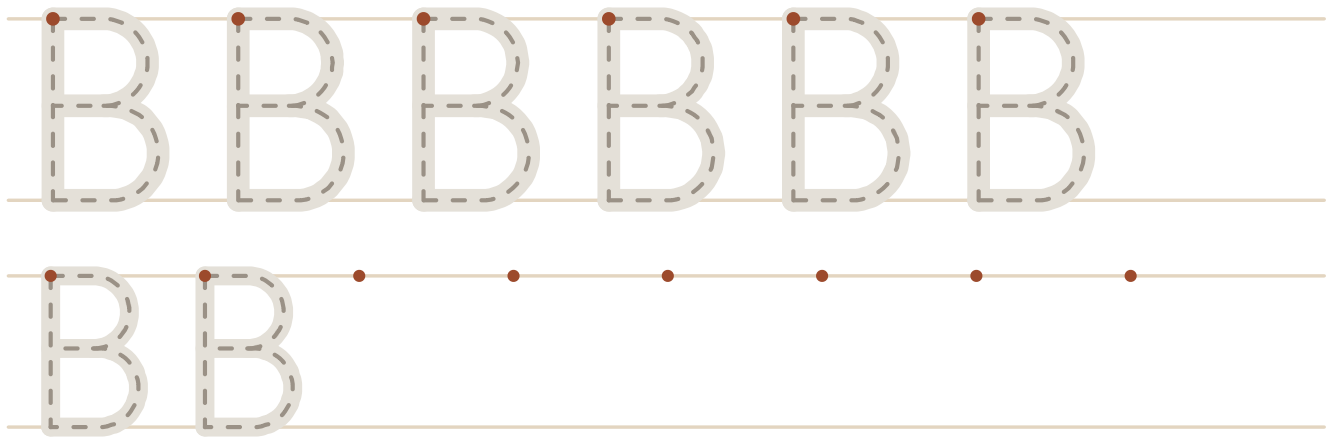

Recommended age: 5–6 years · letter tracing

Name _____

Date _____

Finger first, then crayon. Start at the dot and follow the arrow.

Tip for parents: Before the crayon, write a big B together in the air, then with a finger on the model, saying the strokes out loud. If the line wobbles, that is fine. What matters is the direction: top to bottom and left to right.

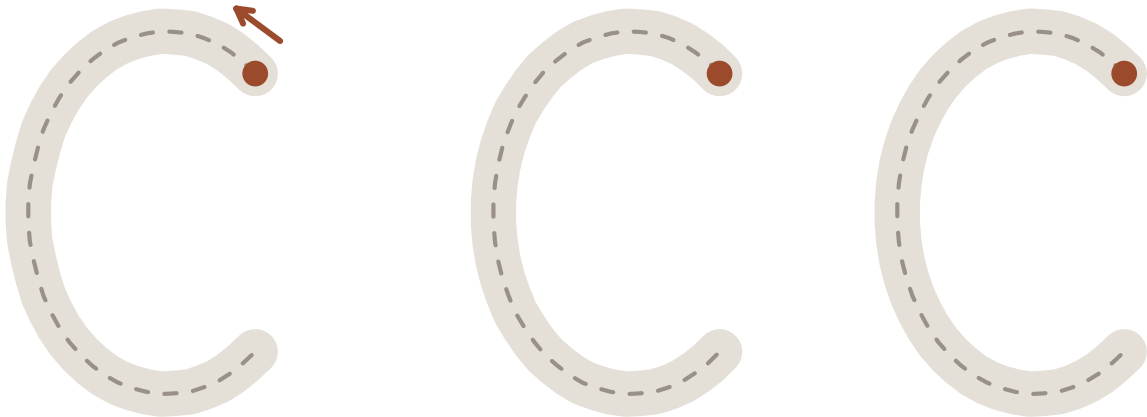

Letter C tracing

Trace the big C with your finger, then with a crayon. Start at the brown dot and follow the arrow.
Then trace the letters in the rows and the words CAT, CAR and CAKE.

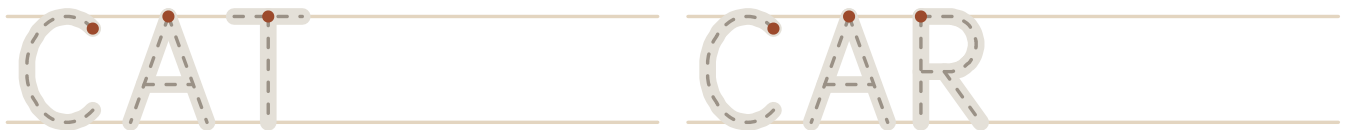

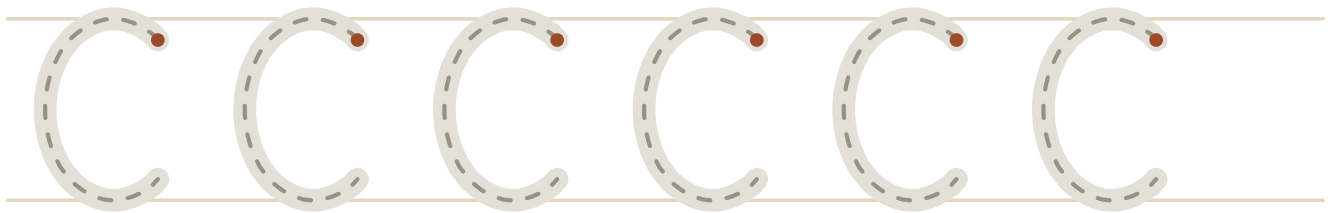

Recommended age: 5–6 years · letter tracing

Name _____

Date _____

Finger first, then crayon. Start at the dot and follow the arrow.

Tip for parents: One sheet, five minutes, a thick triangular crayon. If C is in your child's name or a family member's, say so – it will matter more at once. Praise starting at the dot and following the arrow, not how the letter looks.

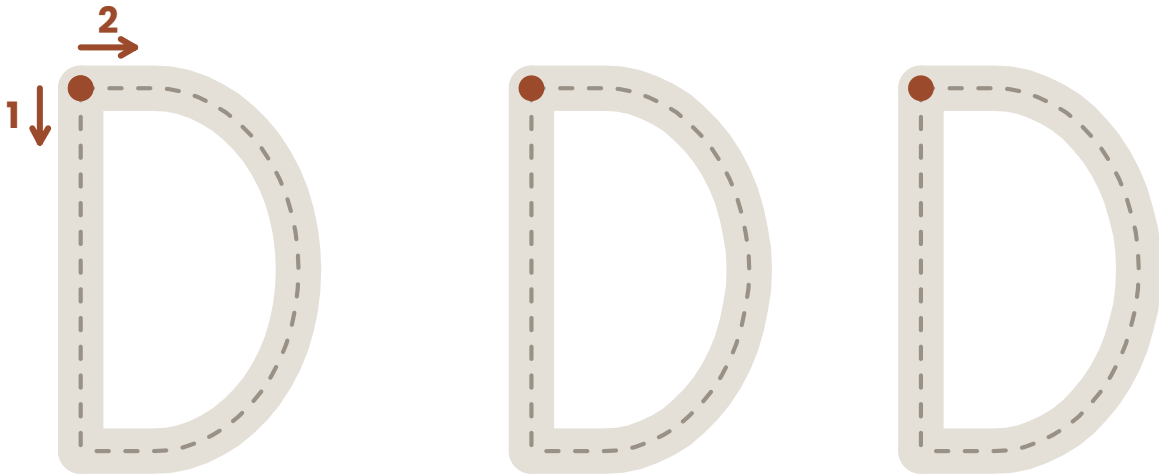

Letter D tracing

Trace the big D with your finger, then with a crayon. Start at the brown dot and follow the arrow.
Then trace the letters in the rows and the words DOG, DUCK and DOOR.

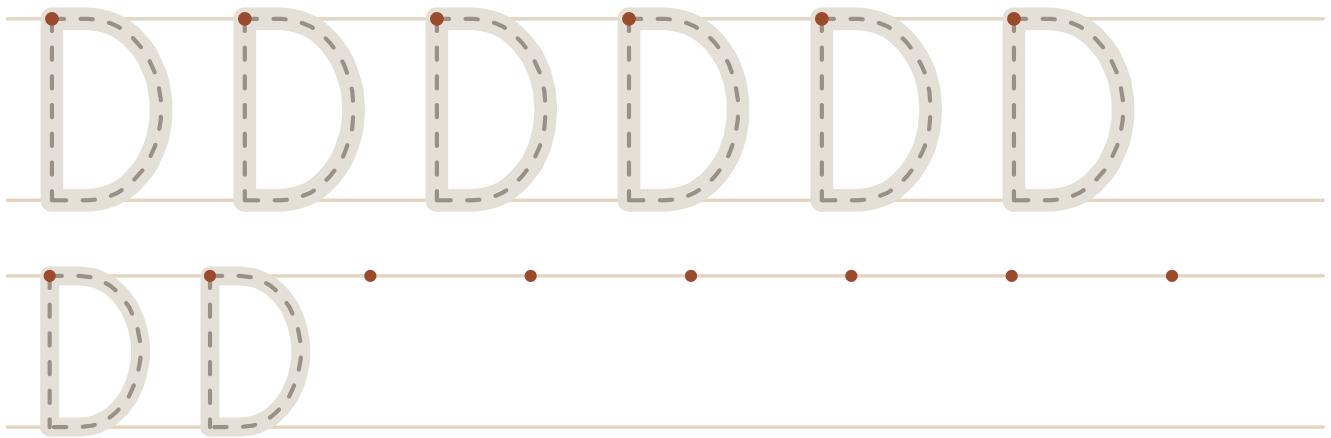

Recommended age: 5–6 years · letter tracing

Name _____

Date _____

Finger first, then crayon. Start at the dot and follow the arrow.

Tip for parents: Say the sound out loud ("D as in dog") and let your child trace the model with a finger before picking up a crayon. Watch the direction, not the neatness: top to bottom, left to right. Five minutes and one sheet is enough.

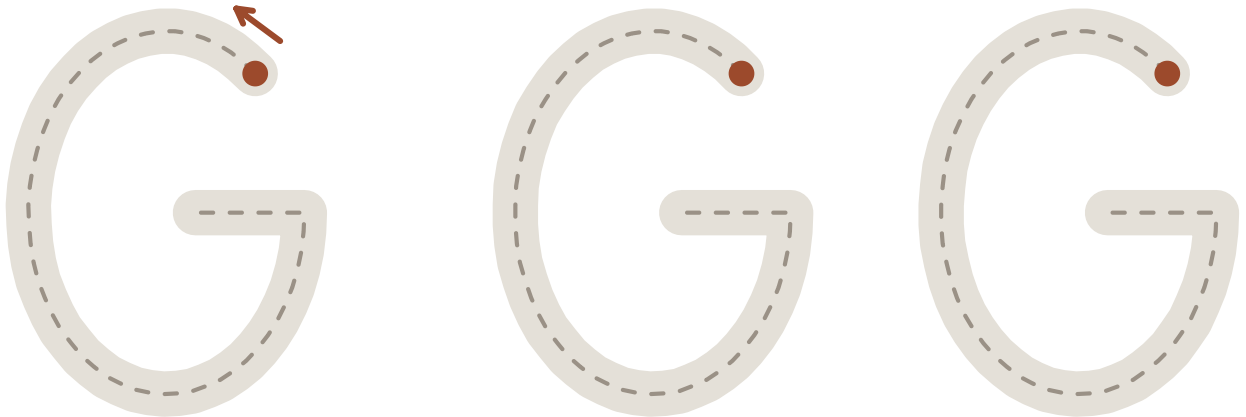

Letter G tracing

Trace the big G with your finger, then with a crayon. Start at the brown dot and follow the arrow.
Then trace the letters in the rows and the words GOAT, GIFT and GAME.

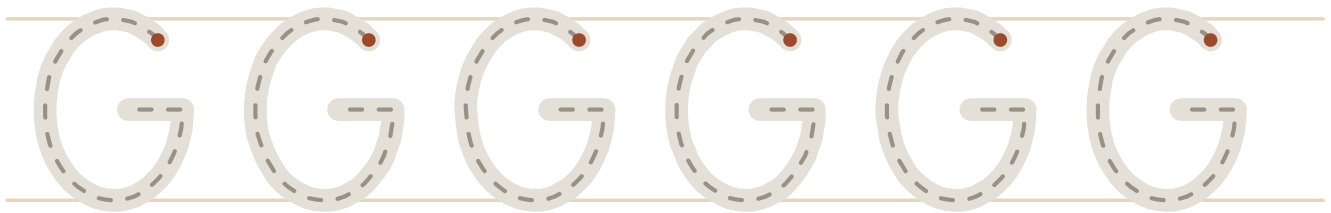

Recommended age: 5–6 years · letter tracing

Name _____

Date _____

Finger first, then crayon. Start at the dot and follow the arrow.

Tip for parents: Say the sound out loud (“G as in goat”) and let your child trace the model with a finger before picking up a crayon. Watch the direction, not the neatness: top to bottom, left to right. Five minutes and one sheet is enough.

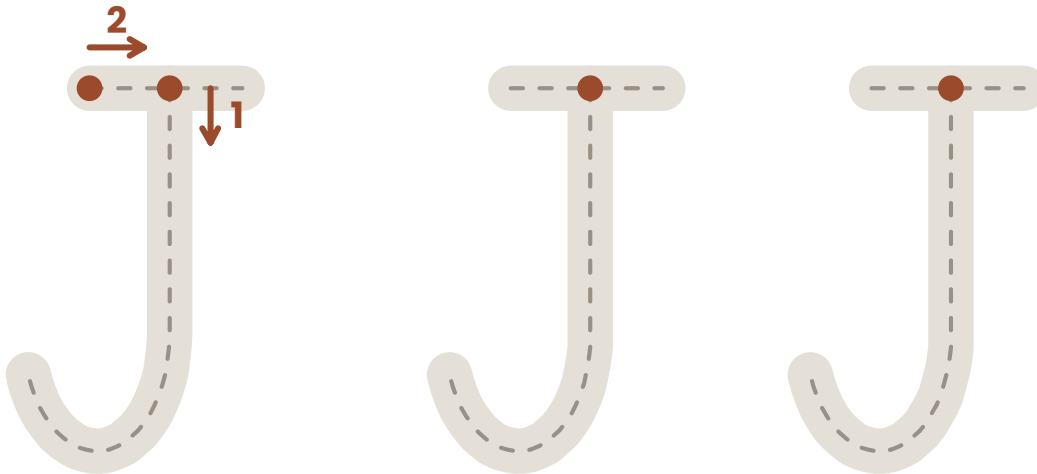

Letter J tracing

Trace the big J with your finger, then with a crayon. Start at the brown dot and follow the arrow.
Then trace the letters in the rows and the words JAM, JET and JUICE.

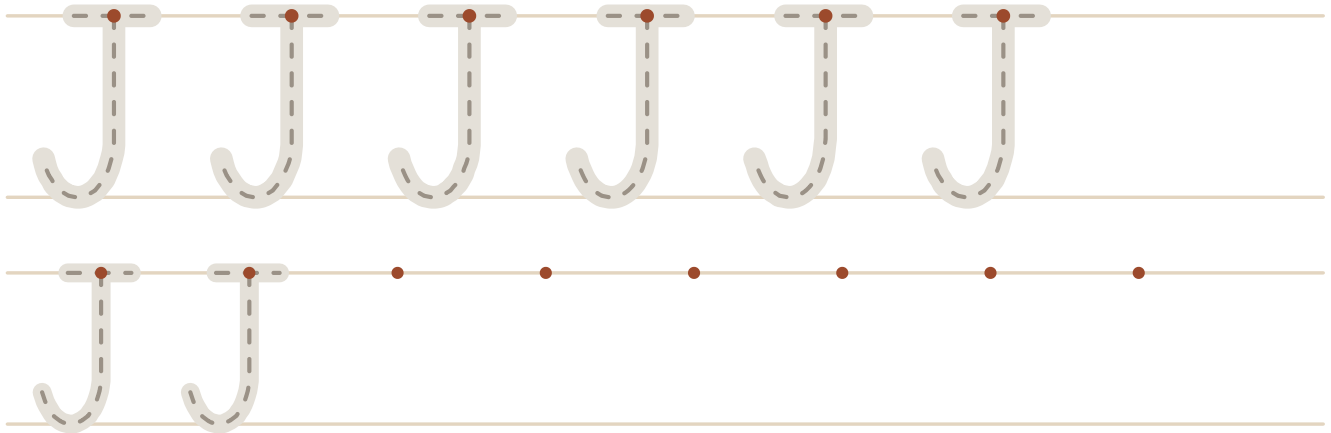

Recommended age: 5–6 years · letter tracing

Name _____

Date _____

Finger first, then crayon. Start at the dot and follow the arrow.

Tip for parents: Say the sound out loud ("J as in jam") and let your child trace the model with a finger before picking up a crayon. Watch the direction, not the neatness: top to bottom, left to right. Five minutes and one sheet is enough.

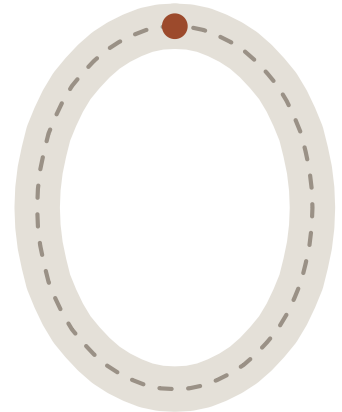

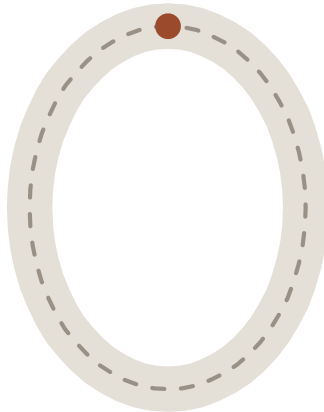

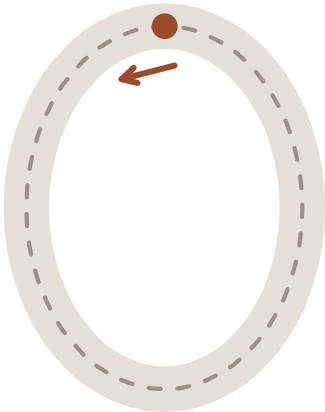

Letter O tracing

Trace the big O with your finger, then with a crayon. Start at the brown dot and follow the arrow.
Then trace the letters in the rows and the words OWL, ONE and ORANGE.

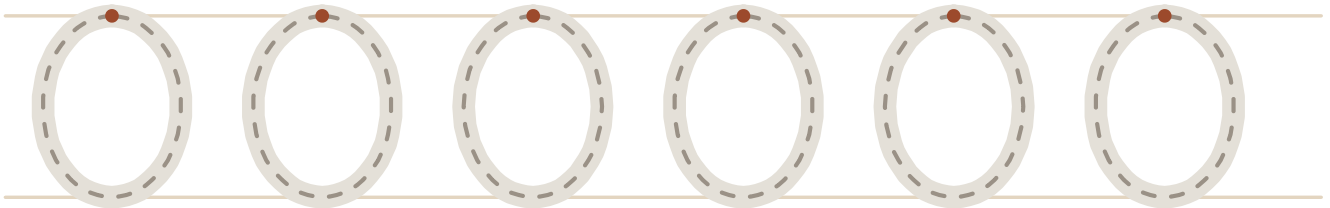

Recommended age: 5–6 years · letter tracing

Name _____

Date _____

Finger first, then crayon. Start at the dot and follow the arrow.

Tip for parents: One sheet, five minutes, a thick triangular crayon. If O is in your child's name or a family member's, say so – it will matter more at once. Praise starting at the dot and following the arrow, not how the letter looks.

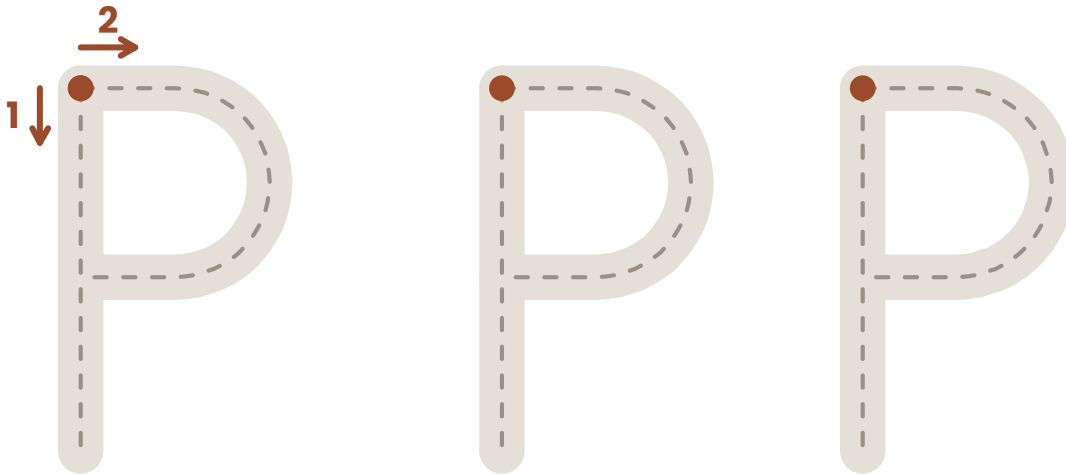

Letter P tracing

Trace the big P with your finger, then with a crayon. Start at the brown dot and follow the arrow.
Then trace the letters in the rows and the words PIG, PEN and PARK.

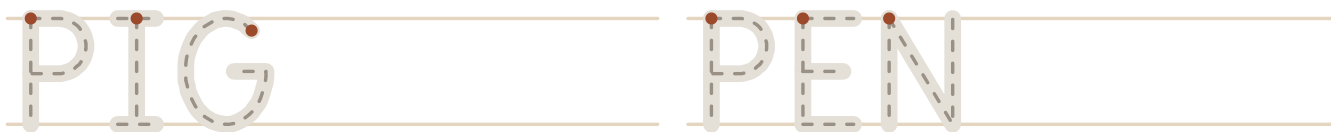

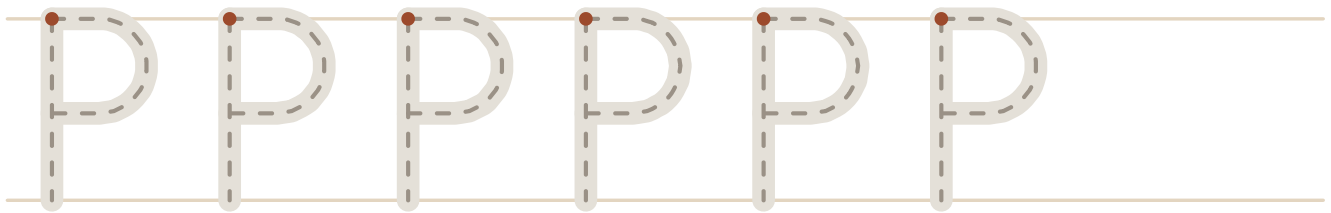

Recommended age: 5–6 years • letter tracing

Name _____

Date _____

Finger first, then crayon. Start at the dot and follow the arrow.

Tip for parents: Say the sound out loud ("P as in pig") and let your child trace the model with a finger before picking up a crayon. Watch the direction, not the neatness: top to bottom, left to right. Five minutes and one sheet is enough.

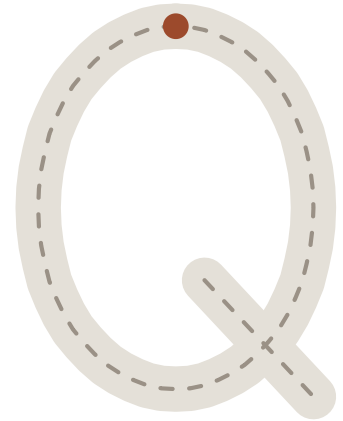

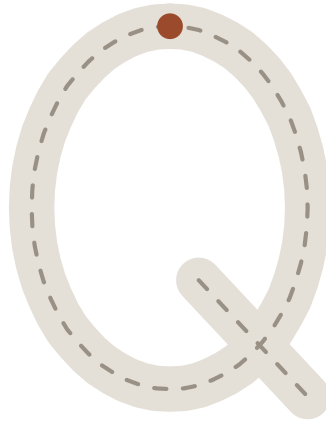

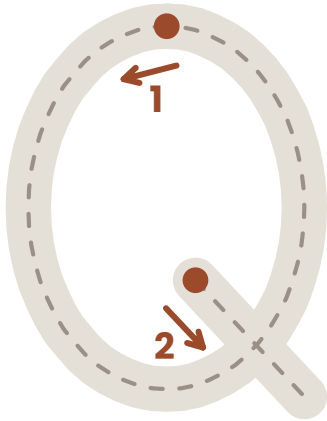

Letter Q tracing

Trace the big Q with your finger, then with a crayon. Start at the brown dot and follow the arrow.
Then trace the letters in the rows and the words QUEEN, QUIZ and QUACK.

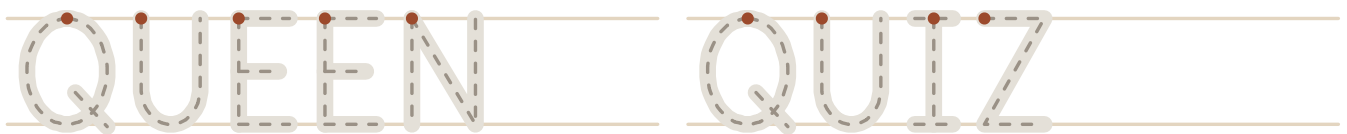

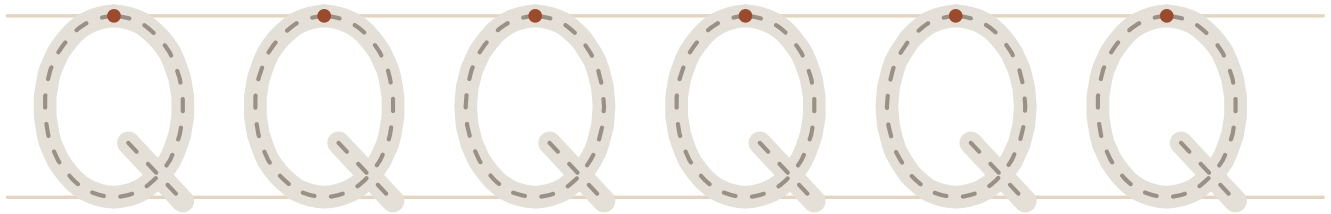

Recommended age: 5–6 years · letter tracing

Name _____

Date _____

Finger first, then crayon. Start at the dot and follow the arrow.

Tip for parents: Before the crayon, write a big Q together in the air, then with a finger on the model, saying the strokes out loud. If the line wobbles, that is fine. What matters is the direction: top to bottom and left to right.

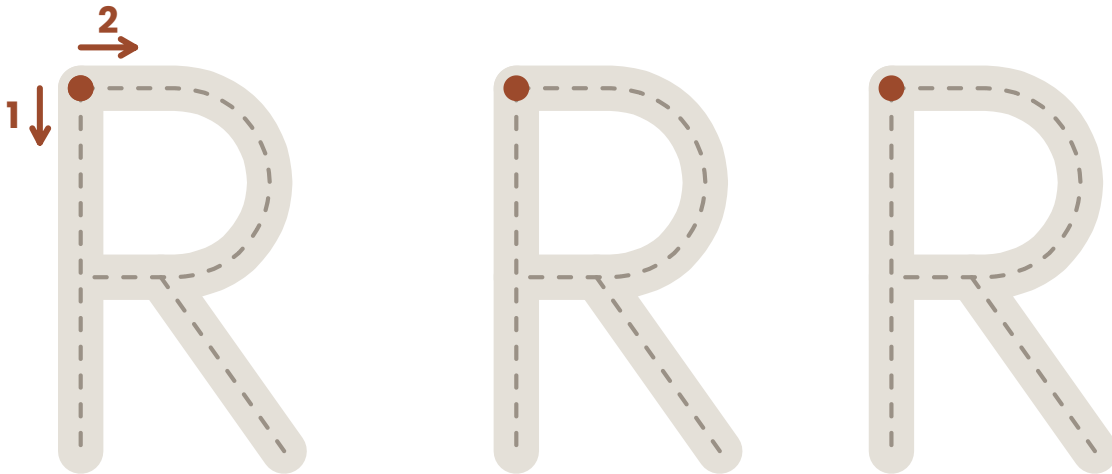

Letter R tracing

Trace the big R with your finger, then with a crayon. Start at the brown dot and follow the arrow. Then trace the letters in the rows and the words RAIN, RED and ROCKET.

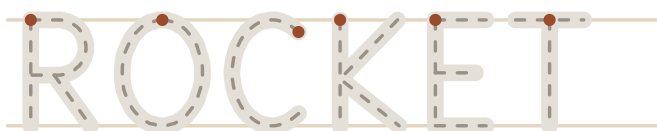

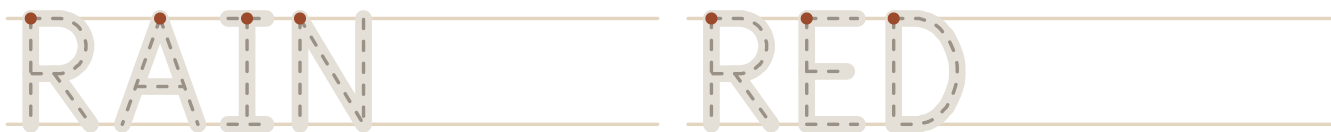

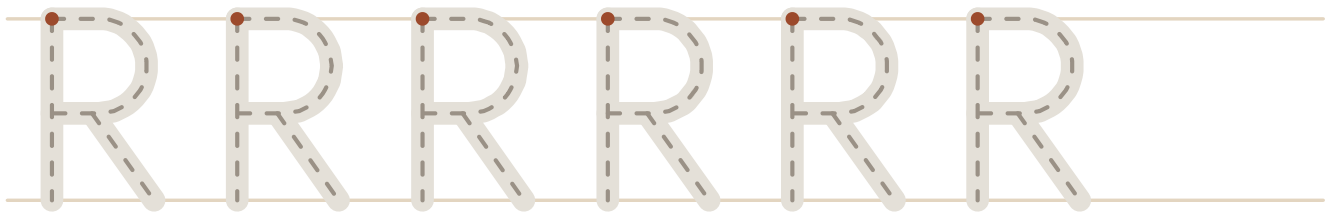

Recommended age: 5–6 years · letter tracing

Name _____

Date _____

Finger first, then crayon. Start at the dot and follow the arrow.

Tip for parents: One sheet, five minutes, a thick triangular crayon. If R is in your child's name or a family member's, say so – it will matter more at once. Praise starting at the dot and following the arrow, not how the letter looks.

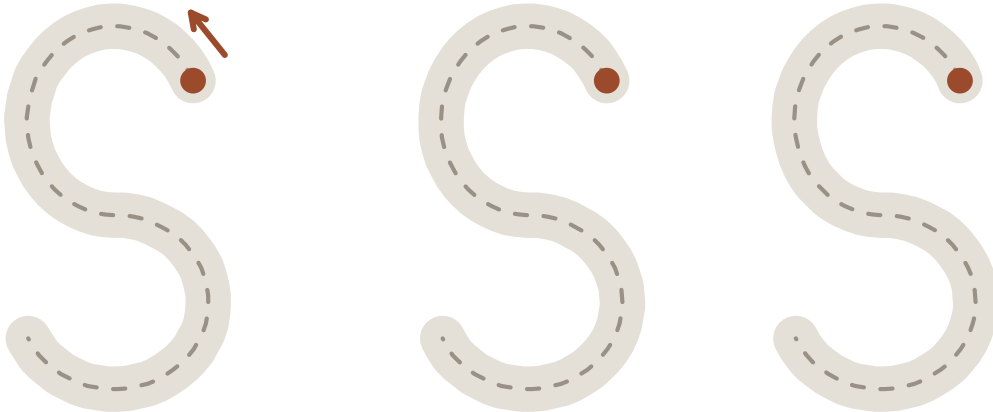

Letter S tracing

Trace the big S with your finger, then with a crayon. Start at the brown dot and follow the arrow.
Then trace the letters in the rows and the words SUN, STAR and SNAIL.

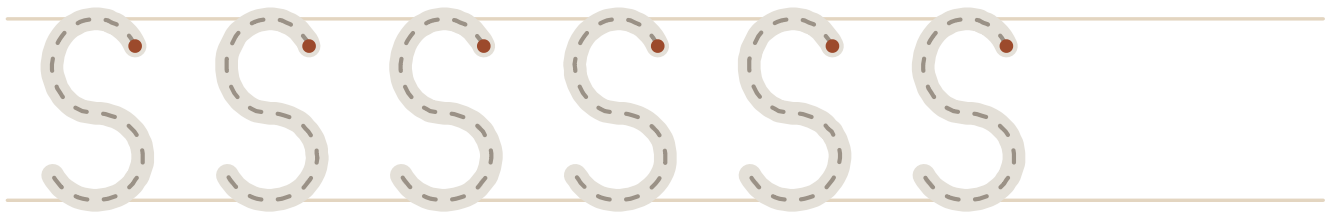

Recommended age: 5–6 years · letter tracing

Name _____

Date _____

Finger first, then crayon. Start at the dot and follow the arrow.

Tip for parents: Say the sound out loud ("S as in sun") and let your child trace the model with a finger before picking up a crayon. Watch the direction, not the neatness: top to bottom, left to right. Five minutes and one sheet is enough.

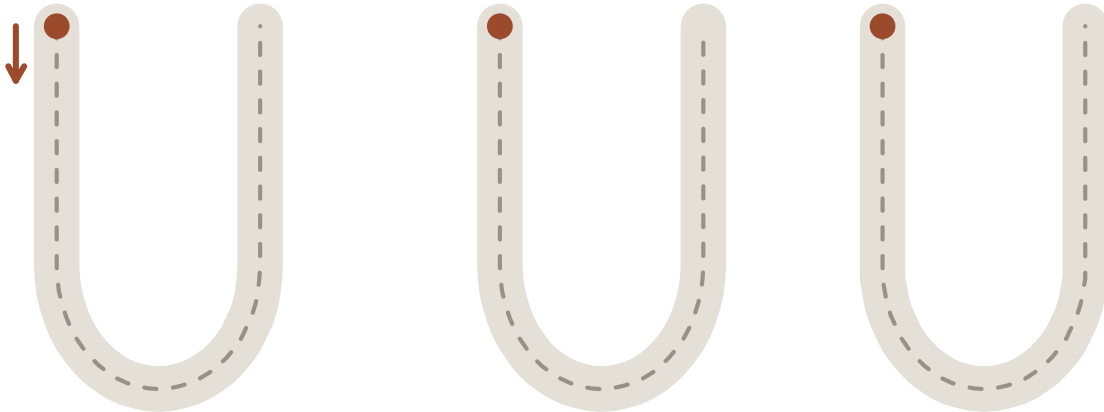

Letter U tracing

Trace the big U with your finger, then with a crayon. Start at the brown dot and follow the arrow.
Then trace the letters in the rows and the words UP, UNDER and UNCLE.

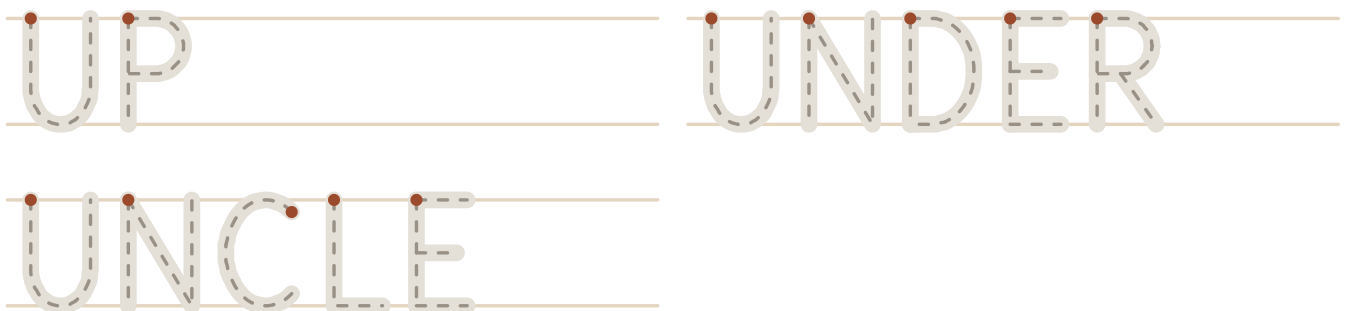

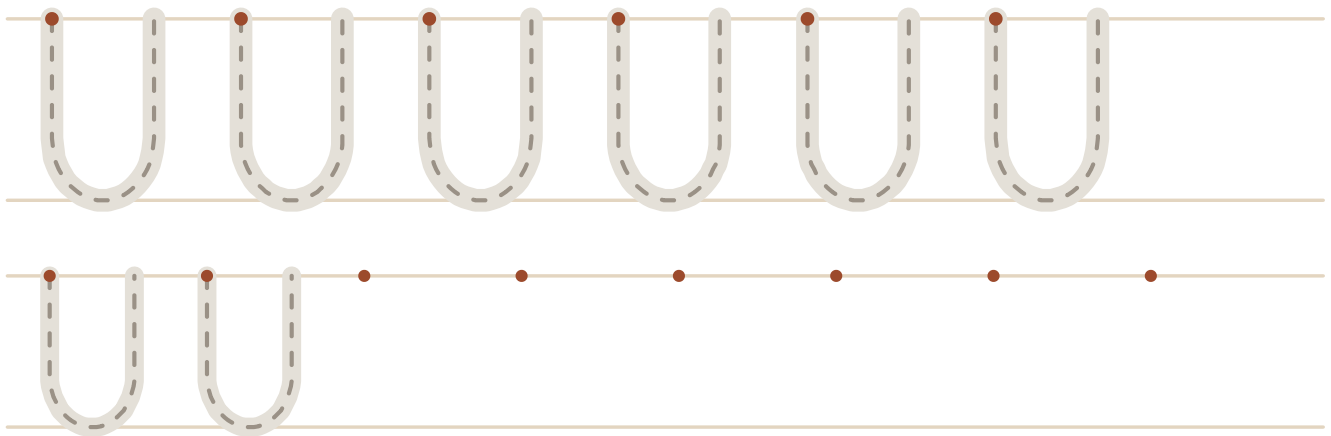

Recommended age: 5–6 years · letter tracing

Name _____

Date _____

Finger first, then crayon. Start at the dot and follow the arrow.

Tip for parents: One sheet, five minutes, a thick triangular crayon. If U is in your child's name or a family member's, say so – it will matter more at once. Praise starting at the dot and following the arrow, not how the letter looks.
