

Numbers 1-10 on one page

Count the pictures in each row. Then trace the number three times and write it once on your own. Start at the dot.

Recommended age: 5-6 years · number tracing

Name _____

Date _____

Tip for parents: This sheet works best after the single-number sheets. Count out loud with a finger on each picture. If one numeral is a struggle, go back to its own sheet with the big model. The rows don't all have to be done in one sitting.
